DISCUSSION

5. Discuss the following points in pairs/groups:

- Do you agree with the speaker who said that our work environment hasn't changed?
- What if companies understood their own employees better than they understand customers?
- Look at the pie chart on the left and discuss whether your work life is similar or different and to what extent.
- How do you feel about training at work? Is it modern? Has it changed during your career?
- Are there too many processes at your work? How do they affect your work?
- What's your opinion on performance reviews? How does it compare to what the speaker presented:

- What kind of technological improvements could enhance management at your company?
